THE RELIEF WORK.

The Committee's Operations Formally Closed Last Night.

THE VERY COMPREHENSIVE REPORT

Submitted to the Executive Committee at its Meeting—Figures, Compiled Showing All That Has Been Accomplished—A Meeting of the General Committee to Be Held Next Monday Evening.

Last evening the executive committee of the Wheeling general relief committee held a well attended meeting at the relief headquarters, Chairman Hart presiding. The meeting was for the purpose of winding up the affairs of the relief store. Reports were presented showing the amount of money received and disbursed, the donation of commodities and their distribution. Everything was presented in detail, and all expenditures were duly covered by bills and vouchers. The receipts and disbursements balanced exactly, leaving the committee without a cent in its treasury and all its obligations met.

The result of the relief work was regarded by the committee as highly satisfactory, and the only regret expressed was that the work had to be stopped, while there is need for its continuance. It was thought creditable to all concerned and particularly to General Manager Simpson, and his assistants that so much has been accomplished with the resources at command. It is estimated that in cash and commodities the committee has granted relief to the extent of \$5,500, its operations extending over a period of a little over two months.

A resolution was adopted extending to General Manager Robert Simpson, the thanks of the committee for the faithful and earnest manner in which he has discharged the difficult duties of his position, and his assistants were commended for their fidelity and strict attention to the business of the storehouse. Mr. Simpson said that the good record which the committee is pleased to take notice, was made possible by the intelligent and cordial cooperation he had received from the men who assisted him in the work. He did not know where better men could have been found, and it had been a pleasure to work with them.

The chairman said the committee had been peculiarly fortunate in its selection of men to carry out the difficult work of the relief headquarters.

The report of the operations of the committee showed admirable work in every respect, and a close attention to details, not to be excelled by the best managed business house.

The reports of the general manager, treasurer and the coal clerk were ordered filed, and, after being submitted to the general committee, will be put in a place of safety for future reference. The formal report of the executive committee will be made to the general committee at a meeting to be held next Monday evening at 7:30 o'clock in the chamber of commerce rooms, at which all members are urged to be present.

The report of the committee's operations follows:

To the chairman and members of the executive committee:

GENTLEMEN:—We, the undersigned, having been placed in charge of the relief store, have closed up our affairs and desire to submit the following report for your consideration. The relief store opened December 21, 1893, and closed February 24, 1894:

The following miscellaneous donations were made: One hundred meal tickets, 3 boxes baking soda, 3 barrels parsnips, 4 barrels turnips; 3 barrels onions, \$25 worth of drugs, 224 pieces underwear, 42 bed comforters and blankets, 13 cloaks, 61 cans tomatoes, etc., 100 yards muslin, 40 boys' shirts, 365 hats and caps, 905 pairs hose, 116 pairs men's and boys' pants, 100 pounds breakfast flour, 25 packages clothing, 2 barrels beets, 3 tables, books and stationery, and use of store room, telephone and two gas stoves.

WHAT WAS DONE.

Orders received, 3,650; emergency orders, 150; total number of orders filled, 3,800; number of families relieved (five each), 890; number of persons relieved, 4,450; received from the city board 316 days' work at \$1 per day, \$316; for 141 1/2 days' work from the board of public works at \$1.20 per day, \$169.50.

Cash received by the treasurer, \$2,914.98; checks drawn, \$2,914.98. The checks were drawn in payment of goods bought, the receipted bills for which are on file with the secretary.

ROBERT SIMPSON, General Manager.

HARRY HOCKING, Secretary.

In addition to the general manager and secretary who were stationed at the storehouse, the following gentlemen were also almost constantly there: Raymond Bauer and D. E. Brooks, investigators; William Clator, F. H. Hanke and Fred Gauss, distributors; Charles Cowan and John Holman, coal department; H. B. Drabell, labor department.

In addition to the figures given in the formal report, the following are given out: Families receiving one load of coal, 321; families receiving two loads, 101; families receiving three loads, 9; total, 435. Loads given free numbered, 420; on pay orders, 15. Fifteen orders for coal were approved by the committee but were not filled because no coal was on hand.

Many people called at the relief headquarters yesterday, not knowing the committee had quit the field.

THE FERRY FRANCHISE

Granted by the County Commissioners.

Other Business.

A session of the board of county commissioners was held yesterday, at which all the pending bills for the past month were audited by the committee. The principal object of the meeting was to formally pass on the application of the Island Ferry Company for the right to operate a ferry from the city to the Island. The ordinance submitted by the company was passed.

The right is allowed to employ not less than two nor more than twenty-five hands in operating the ferry. The company shall operate one first class steam ferry boat and as many other boats of other kinds as may be found necessary. The board prescribed the rate of tolls as follows: Foot passengers, not to exceed 5 cents; each horse not exceeding 5 cents; a single horse and buggy, not exceeding 10 cents; a two-horse buggy not over 15 cents; one horse wagon, not over 10 cents; horse and cart not over 10 cents, and for each additional horse not over 5 cents.

An application was received from the American Telephone and Telegraph Company for right of way for poles and wires over county roads. It was referred to the committee on roads and bridges and the prosecuting attorney, to report next Monday.

Ferry Company Organized.

The directors of the Island ferry company elected Tuesday night yesterday chose officers as follows: President, H. P. McGregor; vice president, Lewis Jones; secretary (temporarily), W. H. Chapman; executive committee, H. P. McGregor, Capt. William Prince and W. H. Chapman.

Messrs. Myron Hubbard, R. B. Burt, William Prince and H. P. McGregor were appointed a committee to get up a tariff of tolls, and the intention is to make them very low.

M. J. McFadden, one of the directors, resigned and J. B. Sommerville was elected in his place.

Capt. Prince was authorized to bring on his new floats at once, and when the Charleston arrives everything will be ready for business.

Mrs. AURELIA VAN ZILE, of Hamilton, Ind., writes: "My friends said I would never be any better, for I had taken a bottle and a half of Doctor Pierce's Golden Medical Discovery, the bleeding had almost stopped. My appetite was good, nothing seemed to hurt me that I ate. My improvement was wonderful. Several years have passed and my cure is permanent."

OBITUARY.

Yesterday morning soon after the break of day the noble spirit of Matilda Adams, the beloved wife of Archie Todd Hupp, passed from its earthly dwelling to a mansion of blessedness on high.

A woman more pure and just and womanly was never born into the earth.

In all the relations of life, actuated by the most lofty principles, fulfilling all the sacred trusts of a loving wife and a devoted mother, she was a glorious example of the beauty of consistency.

In the removal of one so beloved and so greatly respected we cannot but lament, but we glory in the gain which death has brought to her.

We have in Matilda Adams the welcome that awaits her as her spirit rests from the toils of the flesh—"Well done, good and faithful servant."

To the bereaved husband and children the sympathy of this entire community is extended.
